Getting Started with Google Analytics

Creating a Google Account

Before you can access Google Analytics, you need a Google account. If you already use Gmail or other Google services, you can use that account. If not, create a new Google account for free.

Setting Up Google Analytics

Follow these simple steps to set up your Google Analytics account: 1. Visit the [Google Analytics website](https://analytics.google.com/). 2. Sign in with your Google account. 3.
